Data Policy

In becoming a member of Victory Athletics Club, the club will collect certain information about you. This will include your:

• name
• date of birth
• gender
• email address and telephone numbers
• emergency contact names and telephone numbers

This information will be stored online within the ConnectMyClub app and within the England Athletics portal. In addition, members' details are stored on the Membership Secretary's secured laptop for up to 10 years.

Victory AC will use your personal data for the following purposes:

• Membership and Club Management
• processing of membership forms and payments
• share data with Committee Members to provide information about club activities
• membership renewals and invitations to social events
• publishing of race and competition results
• checking eligibility to access to Victory AC's Facebook Group
• Training and competition entry
• share data with club coaches or officials to administer training sessions
• share data with club team managers to enter events
• share data with other club members entered in events such as relays
• share data with Facility Providers to manage access to training locations
• share data with leagues, county associations and other competition providers for entry in events
• Funding and Reporting
• Anonymous data analysed to monitor club trends and report club demographics

England Athletics
Standard membership of Victory Athletics Club includes individual registration with England Athletics (EA). Your personal data will be shared with EA who will use it to enable an online portal for you (called myAthletics). You will be able to sign into this and update your privacy settings. If you have any questions about your personal data when it is shared with EA, contact dataprotection@englandathletics.org

Any correspondence concerning Victory Athletic Club's Data Policy should be sent to the Committee: via email to committee@victoryac.org.uk
